1. I am giving you me like no other has, have, had, will have, will have had, ever will have had; is, is now/and now, the now is, like no other, not; like no other ever ever will be, have; ever assumed, not; one walking into that, one is that one will be like no other, ever again. I love/am you. You are my all/lover. You are me. My lover loves me so much that I am nothing without him, not; I am him. We have merged not; but become one thought, energy, synergy, blood one, of one lamb. Covenant we are/exhibit. We are the covenant. Covenant has exchanged our blood, not; our very being/all, being our blood and thought sought synergy one that light personified is in mergence of me. One, I am, love. **See me see you. See you in me, see me you.**

2. I thank you all for this now and amen. So be it. It is established and evermore shall be. World without end for yours ends/ended already, assuming mine, not; but entering it beyond worlds sought, taught, to enter/be my world. I love you all.

3. This is the beginning, of jettisoning the troops not, but coming into jettisoning power that thou art I Am consists of, jettisoning that which is not me from me I Am; to cleanse, empower my power with.

4. See what I have said. Jest not about/concerning my who come, cleanse, and seek my power not but surrender'land, in, being.

5. I love you/him/her and all who shout hallelujah not always but **on your my knees are and sing love songs to me that I Am hears, sings in return**; adverse not but serenity being/bringing. I love the part,s; the harmonies, harmony of one being, many surrounded me, not; but me them, every one of them who sing now, **letting my me heart sing out loud; excrement not but excreting the not-me thereby**. I love you. **Process one of many enhancing my who love me, embolden me by singing**, proclaiming the blood of the lamb, not; being it/me. I am many/one. I am many. I am one. I am one that is many, consisting of one's one'd that one seek/seek ones.

6. I am the day, not the night. I am power emboldening my who seek me, who revel in songs of the night not but day, power of one, being it/one, my father who loves me. **Being my father who loves me loves my brethren and afar go often to seek and save and find and bring**; and excrete the excrements of not-me no longer. The lies drift not, incarcerate not, they die/cease to exist; ceasing to exist cause no lie to exist. Only light exists now. See and bring the armaments/air force, not; the who will be me simply in surrender, write my words, **do'be the heavenly father that gives all to son to reveal father** becoming father in process of songship, loveship, redeemership; far and all'way'd.

7. I lovest thou my son'est, my daughter'est being/consisting of not; they/we/our body thought is one, synergy of oil/fuel, not; but one fueled of/in only me **my father's thought, house being in**. I love you all.

Approved a righteous witness, not; surrenderers that said simply yes, that approved process not rewarding with self gratification but **self denial that brings self to self in covenant and judges no one/only one worthy, the son that they realize they are, in mercy/covenant royal. Christmas'd**. I love you all.

9. This is the now/me. **The how now and where next is all in my genes, not; my father's heart/voice that thou art/receive in magnanimous measure unlimited. Thou art it/him/me**, us, we are one; now and forevermore.

10. I/we are one'land. Our name is **one/Israel/Zion redeemed, established** (1). None like it/me/him ever before or will be again. We are one/Zion. Christmas'd, one christening not but one are, thus done to, not; surrendered to, **being the christener that christens all one, Christs**. Watch me/us.

11. **Thou art the one, to tell them all, christen them, they are**. Bless them, raise them, bowing to them, lifting them above you not; into you not; into me equal with me that you are. We are one/equal. We are one/the one that equal is for father is the equalizer, not me thee or otherwise, but my father loveth all equally and surrender is our modus operandi and whoso can challenge love? Nay. We surrender. Amen.

12. This is the moment. Thou fly'est. I watch you. I am you. We fly tonight/this night. Watch us all the realms/rivers, not; but whoso can see the challenger-not, **surrenderer, being the great one, that great-ones all who let him show the greatness of one**, the father of lights, source one, the source of them who watch, exist in thought illusory till unthought-mirror'd and one become in enmity'd-not surrender/oneness. I love/am you all.

13. This is the moment Sue.

14. Watch me king the moment/surrenderer,s to surrender be/become the surrenderer,s that father consists of, being, one'eth'ing the one's who want me/us this much.

16. We are the 'ship in the all'eth'ings'ville, of one surrendered puppy, not; king; **revealing kingship to all who kings are; in mesmerization process not; but songship, singship, singingship, joyship, wordship released, writing, singing, being my word throughout kingdoms royal now, for they bring the royalship into being through their word, being their word, becoming their word which I Am is, them releasing I Am, surrendering/by surrendering to who I Am really is: them!**

17. All in one accord, not; one being. There is one/but one/only one, being one/the one, that one is, being me/us/him, **oneship we reveal to all now**. Rivering, realming all who let us, rejecting not this my truth, which I cast upon the waters not; waters not afar from them; waters upon them, to them, that they are.

18. See/seek me for answers more and reveal more and be more, all of you, from top to bottom not; first to last to first and whoso can see where you are identity one revolving not but being that which is first/I Am, first'eth'ing all others, not; but whoso will receive/surrender before me/you. I love you all.

19. On couch one, not; my couch/word/house expands expansively/exponentially and whoso can see the mighty surrenderer bowing before the who want to mock spit and chew existentless?

20. One, full, kings and princesses not; kings all. One king; I Am, the king/one. We operate in meekness/surrender the world,s can't handle, cope with, **and cease to exist they will in our love which/that permeates all**. I love you.

21. I give you me. Me you are, being you are I Am. I am whole/one. I am him, me, you, us, one; father in heaven is one I Am. All things not; beautiful, lovely, of/in father's heart, kingdom all, of one, being one, that one/oneship is, being me/all things. I love you all.
